GRIGSBY GIVEN 99 YEARS FOR ATTEMPTED CRIMINAL ASSAULT ON TWO GIRLS.

Robert Grigsby, 16 years old Negro boy charged with attempted criminal assault, entered a plea of guilty to the charge Tuesday morning before Judge R. B. Seay in Criminal District Court and the jury fixed his punishment at ninety-nine years in the penitentiary.

Grigsby is the boy who stopped two daughters of W. N. Dockery, about three miles from Wilmer, on Sunday afternoon, Aug. 31, and pointing a pistol at them made an attempt to force them to go into the woods with him. The father of the little girls saw the boy stop them and after a chase captured Grigsby. Before officers could arrive to take the boy in charge a crowd of men from the vicinity of Wilmer took possession of Grigsby and threats of lynching were made.

Rope Mark Around Neck.

At one time a rope was put about his neck preparatory to stringing him up. When he appeared in court Tuesday morning, Grigsby's neck was marked by a livid ring extending almost entirely about his neck, the mark of the rope which was intended to take his life.

W. N. Dockery testified to facts connected with his capture of the Negro and an admission which he said Grigsby made to him in connection with the Negro's actions. One of Mr. Dockery's daughters also offered testimony identifying Grigsby and telling of the manner in which he accosted her and her smaller sister. F. H. Pierson testified to the authenticity of a confession signed by Grigsby and in which the boy admitted stopping the girls and admitted that he intended to assault them. The document signed by Grigsby was admitted evidence.

Grigsby sat unmoved throughout the trial, apparently only slightly concerned in the proceedings. He had no legal representation and declined to ask witnesses any questions or to make any further statement about the case. The jury returned the verdict after being out only a few minutes.
